Other:

---

Quarter/Semester of Enrollment for Credit (example - Winter 2015):

1st Choice

2nd Choice

Faculty  
Advisor  
Identified?

Please submit this form to Christina E. Rodriguez at [chrodrig@csusb.edu](mailto:chrodrig@csusb.edu) along with the required documents requested specifically by the project. A new Preliminary Form will need to be filled out for each project you are interested in applying for. Your information will be provided to the EPA for consideration.

Once the EPA has selected candidates for interview and made final decisions, students will have additional paperwork to fill out that will include a Learning Project Plan, a Liability Release Form, a Consent to Release Information to a Third Party, proof of enrollment, GPA confirmation, course enrollment for an internship course at your campus and an end of internship evaluation. Other forms may be required. A checklist, an FAQ and the documents will be provided to the students with a timeline for completion of each document.

Students that are not selected will be notified by the WRI office after final candidates are chosen for a specific project.

If you have any questions, please contact Christina E. Rodriguez at [chrodrig@csusb.edu](mailto:chrodrig@csusb.edu) or 909.537.3688. Thank you for your interest.
